### Description

The young fashionable family business has been trading online with festive children and baby clothing since 2013. The clothes are usually worn at weddings (e.g. bridesmaids), communions, baptisms etc.

The product range of the stylish outfits includes:

- dresses, velvet gowns, coats, boleros, tights and shoes for girls,
- suits, shirts, waistcoats, socks and shoes for boys,
- accessories like hats, hairbands, gloves, braces etc. complete the collection.

The sizes start with 50cm for newborns and go up to 182cm for teenagers.

The German company is offering manufacturing agreements to producers and suppliers of above mentioned products as well as new high quality products. They can be made of any material and shall be delivered in small quantity at first.

### Advantages and Innovations

- The company has already experience in cooperating with foreign companies e.g. from the USA and Poland.
- Festive children clothing is difficult to find in normal shops. The online offer of the company fills a gap in this sector.
- Thanks to the good product quality offered, the company has been very successful from the beginning in online trading with festive clothing for children in Germany.
- It offers free delivery of the products within Germany to its clients as well as 30 days money back guarantee.

## Partner Sought

---

## Type and Role of Partner Sought

The sought partners are expected to offer and deliver the ordered products (festive clothing for children) in very good quality-price ratio.

The German company is also looking for new high quality products. It would be an advantage if the new partners could create further festive products and collections for children.

## Type of Partnership Considered

Manufacturing agreement
