## Title

**A French company manufacturing non-organic, organic, plant-based and gluten-free individual fresh and frozen desserts searching for distributors**

## Short summary

**A company from France producing individual fresh and frozen desserts (non-organic, organic, plant-based, gluten-free and reduced in allergens) as pastry dessert verrines, ice-creams, sorbets and macaroons is looking for new business partners under distribution services agreement.**

## Full description

**A France-based company is specialised in individual fresh and frozen desserts made with ingredients which are non-organic, 100% organic, plant-based, with no additive nor artificial coloring, gluten-free and very reduced in allergens.**

**These ingredients are issued from local production or fair trade.**

**The company is committed against food waste by optimizing the use of ingredients and ensuring compliance with food safety standards.**

**The full range comprises three kinds of products :**

- \* **pastry dessert verrines (lemon pie, chocolate pie, crumble, chocolate fondant, plum flan...)**
- \* **ice creams and sorbets (120 ml and 450 ml)**
- \* **macaroons**
- \* **entremets**

**The company wishes to find new partners in order to increase its customers' portfolio and its international sales turnover through distribution services agreements.**

**The sought partners must have a large network among organic stores, delicatessen and catering professionals (HORECA).**

## Advantages and innovation

- **attentive to fair trade and non exploitation of animals**
- **company working to reduce sugar contents**
- **few companies offer products containing all criteria as organic, vegan, gluten-free and reduced allergen recipes while conserving all gustative properties.**
