Title

Lithuanian producer of organic dog food is looking for manufacturers of air dried meat, vegetables and fruits to work under manufacturing agreement

Short summary

The Lithuanian company produces organic dog food. The company is looking for raw materials for the production of organic pet food. Manufacturers of air-dried meat: rabbit, wild-caught fish (cod, mackerel, sprat, salmon), game birds (pheasants, ducks) is needed, as well as various air-dried vegetables and fruits suppliers. The company would like to work under a manufacturing agreement.

Full description

The Lithuanian dog food company was established in 2018. It offers organic, low-carb, and raw-dehydrated dog food. It is made from 100% human-grade ingredients which come from certified sustainable and responsible farms. They are gently air-dried under 30 °F / 86 °F in organic 100% green energy-powered manufacturing in Bavaria, Germany. This technology helps to keep food more nutritious. It contains minimum digestible carbohydrates. Following the latest scientific research, such food composition is better for dogs' well-being.

Company's product range:

- Organic air-dried dog food;
- Air-dried grass-fed beef tripe snack;
- Air-dried free-run rabbit ears with fur snack;
- Air-dried wild-caught herring snack;
- Air-dried vegan banana snack;
- Air-dried vegan flax-seed snack;
- Dog biotics (prebiotics + probiotics for dogs);
- Natural horn-beam stick tog chew toy.

The company would like to expand the range of its products. Currently, it is looking for manufacturers of air-dried meat: rabbit, wild-caught fish (cod, mackerel, sprat, salmon), game birds (pheasants, ducks). Also, it is looking for various air-dried vegetables and fruits suppliers. The company would like to work under a manufacturing agreement.

Advantages and innovation

Technical Specification or Expertise Sought
