Title: A company from Poland is looking for companies producing billiards tables and companies producing natural wooden lighting, for cooperation based on manufacturing agreement

POD Reference: BRPL20211008001

Summary: The company from north-eastern Poland provides professional pool tables, offering them both to individual and business clients. The company is looking for producers of billiard tables and producers of natural wood lighting. Cooperation based on a distribution contract or manufacturing agreement is sought.

Description:

The company from Poland sells professional billiard tables. It sells various models, ranging from classic, through sports (intended, among others, for playing snooker or a pool, also in English) to products whose complicated sculptures are made with the utmost attention to even the smallest detail.

In addition to the billiard table, the company also offers various billiard accessories, including:

- sticks,
- balls,
- triangles,
- cloth

and other items that are essential in this sport. In addition to new models, the company offers used pool tables that are undergoing renovation.

It is also an effective decoration element, proving the sublime taste of the owner of such a piece of furniture. The functionality of these articles is also enhanced by the fact that they can be equipped with conference and dining table tops, and even table tennis tables.

The company also offers exclusive pool tables - for connoisseurs - characterized by the most detailed finish, with effective carvings of the highest quality wood or other materials.

In addition to sales, the company can offer table assembly on site, as well as professional service, including, among others replacement of cloth, which is the element subject to the fastest exploitation. The company was nominated in the XVI edition of Podlaskie Brand Awards in the utility product category.

The company is looking for long-term cooperation with companies producing pool tables and natural wood lighting based on a distribution agreement or a manufacturing agreement. The company wants to expand its assortment, therefore it is looking for new business partners.

Technical Specification or Expertise Sought:

Companies experienced in the production of billiard tables and natural wood lighting.

Companies that already have experience in cooperation with foreign partners.

Companies that have free processing capacity to perform new orders.

Stage of Development:

Already on the market
