Title

Polish producer of dietary supplements and essential oils is looking for suppliers of ingredients and aromatherapy accessories

Short summary

The company manufactures dietary supplements in many forms. In their offer you can find vitamins, minerals, standardized herbs extracts and many active substances. They use well-known and branded ingredients in best digestible forms. Their second category of products are 100% pure essential oils, natural incense and other aromatherapy products. They are looking for suppliers of ingredients and aromatherapy accessories.

Full description

The company manufactures dietary supplements in many forms: capsules, tablets, powders, liquids, drops etc. In their offer you can find vitamins, minerals, standardized herbs extracts and many active substances. These products are manufactured with well-known and branded ingredients in best digestible forms. Their second category of products are 100% pure essential oils, natural incense and other aromatherapy products. Apart from production they run one of the biggest e-shop with dietary supplements, functional food and high quality cosmetics in Poland.

They are looking for:

- 1) all kinds of dietary supplement ingredients, especially standardized and branded ones,
- 2) all kinds of essential oils in bulk containers,
- 3) resin and herb incense,
- 4) accessories for aromatherapy (like nebulizers etc).

Advantages and innovation
